

ELEVATION
SECONDARY COLLEGE

October 2021

Dear parent/guardian,

YEAR 7 PARENT PAYMENT CONTRIBUTIONS

Elevation Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Elevation Secondary College voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to purchase class sets of text books, supplies for science experiments, on site use of instruments for the music program, also assists with the additional hours of onsite IT Tech support for the school which has been invaluable.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Colin Burke
Principal

Samantha Sattler
School Council President
